MEMORANDUM FOR: Director of Information Technology, DA

FROM: [REDACTED]
Director of Central Reference, DI

SUBJECT: Appreciation For Support

I wish to express my appreciation for work done by [REDACTED]
[REDACTED] in the technical evaluation of responses to a Request For
Proposal (RFP). This particular RFP was for a Laser Printing System to be
used as an output device from the OCR Automated Document Storage and Retrieval
System (ADSTAR). Their knowledge of the technical workings of laser printers
and the necessary requirements to interface laser printing devices to host
systems was a distinct asset to the evaluation team. Please convey my thanks
to them.
